### **French Country Furniture**

Our collection of French country furniture is exquisite and designed to transform your indoors aesthetically and functionally. Modelled on antiques seen in the finest country houses and chateaus throughout Europe, our aesthetic furniture adds elegance and value to your home.

We offer a range of finishes to cater to different design needs and preferences. Our exclusive hand made solid wood pieces are constructed using the finest quality material with careful attention to detail and excellent craftsmanship. We also offer a custom furniture service for greater personalization.

### **Solid Wood Furniture**

Natural looking and long lasting, our solid wood furniture offers an old world charm and fits comfortably into contemporary design spaces with élan. Each of our items is hand finished using traditional techniques of the skilful European artisans from centuries ago.

We use only the finest solid kiln dried and salvage wood, aged leathers and cast hardware. Adding beauty and warmth to your living space, natural wood furniture pieces make great investments.

### **Shabby Chic Furniture**

When timeless value meets style, you get shabby chic. Creating a relaxed and comfortable setting that is also high on the style quotient is easy with shabby chic pieces.

Our reclaimed wood and heavily distressed furniture perfectly fits this design theme. Our range includes many items such as coffee tables, sofa tables, armoires and more.

### **French Furniture**

We offer you all the support you need to make informed decisions about your furniture purchase. Our in-house designer will be more than happy to offer advice on furnishings to compliment your furniture choices.

We can send swatches and wood colour samples so that you get a clear picture of what you are buying and make the right choice. We keep you updated on the items that are currently in stock and the incoming inventory. You can trust us to extend assistance required at every step of your purchase.

## **Country French Furniture**

Elegant contours, high functionality and superior comfort define this style. The distressed finish and rich patina exude an antique look and elicit admiring glances from connoisseurs.

Each item is a work of art that instantly adds pizzazz, class and sophistication to your home. The furniture pieces can be used as focal points to draw attention to a certain area of your living room or private study. You can give your dining area a refined European feel with French country style chairs and tables.

Our latest collection of salvage wood furniture including the salvage wood tables and sideboards are extremely popular with interior designers. They can be used as anchor pieces for endless design concepts. Such items not only make for an eco-friendly purchase but also transform plain spaces into contemporary and eye-catching ones.
