### **Crazy Vegas Casino Review**

#### **Overview**

Players looking to experience some of the most fun filled and exciting games will have a great time at Crazy Vegas Casino. Established in 2001, this online casino is an associate of Vegas Partner Lounge that has ten online casinos in its network. All ten casinos are popular in the online gambling community. eCOGRA - the most strict autonomous regulator for casinos and non profit player advocate online - has certified Crazy Vegas Casino with an overall payout percentage of 95% and over.

#### **Game Variety**

With more than 550 games to select from, almost all players at Crazy Vegas Casino will be sure to find their pick of games. The casino has multiline slot machines where games like Adventure Palace, Glory of Rome and Gladiator can be played. Video Poker, Blackjack and Roulette are among the predominant games offered here. Crazy Vegas Casino also offers multi player tournaments. The games on offer here include some of the biggest online progressive jackpots.

#### **Software and Graphics**

Crazy Vegas Casino runs on Microgaming software. The online casino has employed the Viper edition of this software. This provides the online casino with brilliant and clear design elements. One aspect that sets Crazy Vegas Casino apart from others is its hip and unique style.

#### **Bonuses and Promotions**

This online casino is one of the few that runs a number of promotions for its patrons. It currently offers a welcome bonus of \$3,000. On registering, players can select from two bonus options offered by Crazy Vegas Casino. The first is Free Play bonus that grants free 3,000 Euros as online casino currency. The second bonus option is a 100% Match Bonus. When players make their initial deposit (of or up to 100 Euros), the online casino doubles the amount.

Players are automatically added to this online casino's Loyalty Lounge. Here, they are rewarded with loyalty points for every game played. Crazy Vegas Casino has a 15% bonus offer on every deposit made subsequent to the initial deposit. However, this is contingent on the electronic money transfer system used by the client.

## **VIP System**

Players looking for an exclusive VIP program will be disappointed with Crazy Vegas Casino. It has a Loyalty System in place of VIP programs commonly featured at most online casinos. Here a patron is assisted with earning loyalty points on each bet placed by him/her. The Loyalty System comprises of four levels (called lounges), which include blue, silver, gold and platinum. A member gets to the blue lounge even when he has no Lounge Points. Subsequently, when he earns 2,500 and 7,500 Lounge Points he moves up to the silver and gold lounges respectively.

## **Financial Security**

In addition to having high payouts, Crazy Vegas Casino also has efficient withdrawal features. This is made possible with its fast cash-in facilities. Both these aspects ensure that payouts are guaranteed quickly and conveniently. Crazy Vegas Casino uses Proc-Cyber Services that provides safety and security to players' e-cash. This online casino's banking facilities are extended only to Crazy Vegas Casino's Real Players - those who play with real money.

## **Support**

The customer support at Crazy Vegas Casino is warm, cordial and professional. Players are provided with personalized service. Also, players can easily transfer comp points earned on real money bets from one casino to another on Vegas Partner Lounge's network.

Crazy Vegas Casino is one of the few online casinos that does not have a VIP program. Regardless of this drawback, it has a selection of over 500 games that is sure to cater to the gaming choices of almost all who visit the casino.
